

Are Tamron tele converters for Canon compatible with Canon cameras?

Tamron tele converters for Canon can be used in the following combinations. It cannot be used with other lenses.

< Notes >

- When shooting subjects with low contrast and/or luminosity values, the camera may be unable to focus.
- Photographic data such as focal length may be displayed incorrectly.
- If you have questions regarding the compatibility of camera models other than the ones listed, please contact your nearest Tamron distributor. For a list of Tamron distributors, click [here](#).
